

PRICES & PRODUCE AVAILABILITY MAY BE SUBJECT TO CHANGE THIS WEEK AS HURRICANE DAMAGE IS ASSESSED OVER THE NEXT FEW DAYS!

ASPARAGUS: Prices continue to rise & availability remains low due. Transportation issues out of Florida are worsening the situation.

AVOCADO: Prices remain high as Mexico experience. Quality is good. Prices should start to come off over the next few weeks.

TOMATOES: Prices are up due to Eastern crop ending. Hurricanes in the new crop area could affect crops in the coming weeks. Quality is good.

BERRIES: Blueberries, Raspberry, and Strawberry prices are up due to the extreme heat in California. Blackberry prices are steady. Quality is good.
